

HARDSHIP WAIVER OF ANNUAL MEMBERSHIP FEE/LATE FEE

Annual membership fees are payable on or before February 1 each year. Members may apply to the Chief Executive Officer/Executive Director of the State Bar for a full or partial waiver of the membership fee for reasons of personal hardship. Both the grant or denial of an application shall be reported to the Board of Governors. The Board shall review all denials. (Rule 32(c)(7), Ariz. R. Sup. Ct.) Requests for waivers of the membership fee must be received by the State Bar no later than January 31. Requests for waivers of delinquency fees must be received by the State Bar no later than February 28. Absent extenuating circumstances, late requests will not be considered.

Personal hardships exist when a member is unable to pay his/her membership fee because of a medical or financial hardship beyond their control or are active military. Examples of such hardships include:

- **Financial hardship** – due to unemployment; time out from practice for family or health reasons; low income based upon extraordinary practice or business losses.
- **Medical hardship** - serious health issue(s) resulting in extraordinary medical expenses or inability to work
- **Active Military** - A State Bar member, serving on active duty in the United States Military in an assignment *outside* the United States for a cumulative period of at least three months during the calendar year for which the bar fee is due, is deemed to have a personal hardship warranting an automatic waiver of membership fees.

The following circumstances are *NOT* considered a personal hardship: 1) failure of the member to calendar the filing deadline; 2) failure of the member to promptly notify the State Bar of a change in the member's contact information; or 3) the member's delegation of the responsibility to file to another person who failed to timely file on behalf of the member. The Bar is under no obligation to ascertain whether a member did or did not receive reminder emails or other communications from the Bar.

Absent extenuating circumstances, waivers are limited to two consecutive membership years.
